PREPARED FOR	QUOTATION REF	VALID UNTIL	CURRENCY
Vivekanand International Public School (VIPS), Faridabad	**MCV/Q/56/2026**	**30 days from issue**	**INR · GST extra**

One operating system for the entire school.

MyCampusView brings admissions, student records, academics, fees, attendance, staff, parent communication and school operations onto a single connected platform — so VIPS does not have to reconcile multiple tools every week.

WHAT THIS QUOTATION COVERS

Pages 1–2 · Product
- Platform overview for VIPS
- Full module catalogue
- Department-wise capabilities
- Portals, roles & teaching tools

Page 3 · Delivery
- 4-week implementation plan
- Onboarding included for VIPS
- Support channels & targets
- Add-ons, exclusions & data ownership

Page 4 · Commercial
- Starter · Growth · Elite pricing
- AI & SMS/WhatsApp credits
- Branded mobile apps by pack
- Payment terms, T&Cs & signatures

WHY VIPS BENEFITS

One student record
- Admission, attendance, fees and results on one file
- No Friday spreadsheet merge across systems
- Office answers parents from live data, not last night's export

Role-based portals
- Admin, Principal, Teachers, Accountant, Front Office
- Parents and students see only their own children / self
- Permissions enforced on the server, not by hiding menus

Parent visibility
- Homework, fees, results and notices in one login
- Live bus tracking when transport is enabled (Growth+)
- Fewer counter queries during fee and exam season

AI with human control
- Draft question papers from your syllabus
- Suggest marks on uploaded answer sheets
- Ask Me campus assistant — never auto-sends to parents

ACCESS CHANNELS FOR VIPS STAFF & FAMILIES

Web portals
- Desktop & mobile browser
- Full role-based application
- Works on school Wi-Fi / home

Mobile
- Installable progressive web app
- Native Android app
- School-branded app on Growth / Elite

School identity
- Logo & colours on app & documents
- Custom domain (Growth / Elite)
- MFA & session security controls

CAPABILITY DETAIL BY DEPARTMENT

Leadership & office

- Live dashboard — strength, attendance, collection, dues, enquiries
- Standard reports with CSV / print export
- School health score from attendance, marks, homework & fees
- Custom roles with permission-level access
- Audit trail on fees, results and permission changes

Admissions & front office

- Enquiry capture on the system — not a notebook
- Kanban pipeline from visit through to enrolment
- Follow-ups, call logs and overdue queue
- Public enquiry form on the school website host
- Visitors, gate passes and walk-in appointments

Teachers & academics

- Own-class register, homework and mark entry
- Question bank and section-wise paper builder
- Per-question analytics after every assessment
- Syllabus-linked AI question drafts (approve before use)
- AI answer-sheet suggestions with teacher final say

Parents, students & finance

- Child-scoped attendance, homework, results & admit cards
- Fee dues, branded receipts and online pay (at setup)
- Fee structures, instalments, late fees and concessions
- Outstanding / ageing reports for the accounts desk
- Live bus view when transport module is enabled

OPERATIONS & ROADMAP

Operations included today

- Transport routes, stops, fleet, drivers & live tracking
- Library catalogue, issue / return and overdue fines
- Inventory from assignment through maintenance to disposal
- Events, sports fixtures and school website CMS
- Staff attendance with optional geofenced check-in

Roadmap (not live — confirm in writing)

- Hostel rooms, allotment and hostel attendance
- Alumni records after leaving
- Full double-entry accounting / Tally export
- Google / Microsoft SSO
- Push notification centre · custom MIS report builder

IMPLEMENTATION JOURNEY (TYPICAL ~4 WEEKS)

1. **Discovery & scope** — confirm pack, modules, data sources and go-live date with VIPS
2. **Configuration & branding** — academic year, classes, fees, roles, logo and colours
3. **Data migration** — template import, opening balances and validation with your office
4. **Training** — admin, accountant, teachers, front office and parent briefing
5. **UAT & go-live** — checklist sign-off; launch preferred at a term boundary
6. **Hypercare** — close support through the first fee / attendance cycle

WEEK-BY-WEEK PLAN

Week 1–2 · Build the foundation

- Kick-off workshop with the VIPS project owner
- Issue student / staff / fee import templates
- Configure fee heads, structures and academic calendar
- Create staff logins and assign roles
- Guide custom domain / DNS (Growth & Elite)

Week 3–4 · Train, test, launch

- Import data and clean exceptions with accounts / office
- Role-based training sessions (remote or scheduled)
- UAT checklist signed by VIPS before go-live
- Parent communication pack for portal / app access
- Go-live + hypercare for the first operating cycle

INCLUDED IN ONBOARDING FOR VIPS

Configuration

- School profile, logo & colours
- Academic year, classes & sections
- Fee heads & structures
- Roles, permissions & staff logins
- Receipt & certificate branding
- Domain setup guidance

Data & training

- Student / staff import templates
- Opening fee balances (if provided)
- Admin + accountant walkthrough
- Teacher & front-office orientation
- Parent portal / app briefing
- Recorded how-tos for key workflows

Go-live support

- UAT checklist before launch
- Hypercare in first fee cycle
- Email / ticket support channel
- Remote screen-share assistance
- Post-go-live optimisation call
- Named onboarding contact

SUPPORT, RESPONSIBILITIES & EXCLUSIONS

Support (indicative)

- Email — contact@mycampusview.com
- In-app / ticket support · scheduled remotes
- Business hours IST, Monday–Saturday
- Critical — within 4 business hours
- High — within 1 business day
- Normal / how-to — within 2 business days

VIPS will

- Nominate one project owner
- Provide clean student / staff lists
- Confirm fee structures & calendar
- Share logo, letterhead & colours
- Sign off UAT and attend training
- Complete domain / DNS and keep data accurate

Optional add-ons (extra)

- Extra AI or SMS / WhatsApp credits
- Payment gateway MDR / setup
- Biometric / GPS hardware integration
- On-site training days · custom SOW reports
- App-store listing support (developer fees by school)

Not included unless quoted

- Hardware, printers, devices, SIMs
- Apple / Google developer accounts
- School internet / end-user devices
- On-site boarding, lodging & local travel
- VIPS owns its data; export on exit per agreement

Commercial page — select pack & billing cycle for VIPS

TERMS & CONDITIONS

1. This annex summarises features and commercial terms; the signed proposal / agreement prevails if there is any conflict.
2. All prices are in Indian Rupees (INR) and exclude GST and other applicable taxes unless stated as inclusive.
3. This quotation remains valid for thirty (30) days from the issue date unless extended in writing by MyCampusView.
4. Yearly fees are payable in advance. Monthly fees are billed each calendar month in advance.
5. A minimum commitment of twelve (12) months applies unless a different term is agreed in writing.
6. Payment-gateway charges, SMS/WhatsApp or AI usage beyond included credits, and third-party hardware are charged extra.
7. Implementation, migration, customisation, branded app listing support, or on-site training beyond the standard pack are as per the commercial schedule.
8. Plan limits (students, staff, storage, credits) apply; overages may require an upgrade or prepaid add-on.
9. VIPS is responsible for the accuracy of migrated data and for lawful processing of parent and student personal data.
10. Support hours and response targets are indicative; a formal SLA, if required, will be attached to the agreement.
11. Roadmap items are not committed deliverables unless included in a signed statement of work.
12. Cancellation, refunds and early termination follow the commercial agreement; unused prepaid periods are non-refundable unless agreed otherwise.
13. Late payment may result in suspension of access after prior written notice; reactivation requires clearance of outstanding dues.
14. This document is confidential and intended solely for Vivekanand International Public School (VIPS), Faridabad.
