MYCAMPUSVIEW ACADEMY · AI FOR YOUNG BUILDERS

Data collection sheet

Plan the data before you train

Name: _____ Class: _____

1. What will my AI recognise?

Groups (labels), 2 to 4:

_____

_____

2. How will it see them?

☐ Drawings ☐ Camera

3. Features: what makes the groups different?

_____

_____

_____

4. Examples I will collect

Label	How many	Variety I will add (size, angle, light, style…)

5. Fair data check

- ☐ Every label has about the same number of examples
- ☐ Examples include different sizes, styles and backgrounds
- ☐ I kept some examples back for testing
- ☐ No faces or personal details of other people
